

Dear June

I just wanted to write and say thank you, you did such an amazing job with my hair and make up on my wedding day. I truly felt like a princess, you were so professional and so calm that you helped calm my nerves. My wedding day was perfect and I really appreciate you for helping make it that way.

Thank you, Teresa Borg (Coles)

Hi, I would like to take this opportunity to thank Julie for doing my hair on my special day at Comlongon Castle. I'm not very good at explaining what I want but Julie did a fantastic job and everyone has commented on how great my hair looked and the fact it suited the dress beautifully. I have been told I looked every bit the Bride, and my Husband has said my hair looked the best it has ever looked when it has been done by a hairdresser. I have enclosed a few photos, if you wish to use them for your website then please feel free.

Regards, Paula

I would just like to take the time to thank June for the wonderful job she did on my hair, Sunday the 21st. The style was fun and funky and suited me perfectly! Everything stayed in place all day (and well into the night) and the pins were secure without becoming painful a few hours after they were put in, like I've had done in the past. I couldn't have been more pleased!

Thanks June!
Jennifer Loveland

Dear Fiona & June, Sorry it's taken so long for us to thank you for being a important part of our wedding day on 9th August 2005 at the lovely Comlongon castle and for making us look and feel fantastic. You did everything just as I had hoped & more, you made my Bridesmaids Danielle & Jamie-Lee (daughters) look amazing as did my other bridesmaid-Carol (she was so pleased you managed to cover her scar- it gave her more confidence. You made me feel like a princess and look like one too! You are extremely talented. We all would like to thank you from the bottom of our hearts and wish you all the luck and best wishes for the future.

Kindest regards, Joanne, Carol, Danielle, Jamie-Lee.
