

Hi Fiona & June,

Just to say a big thank you for helping to make my wedding day on the 30th September 2007 at The Mill so perfect, I was so worried as I hadn't had any trials for hairstyles and no clear ideas for makeup but you just came and did your magic and made me into a princess for the day every one commented on how natural my makeup looked and how nice my hair was I would recommend you to anyone getting married in Gretna thank you again. I have attached a photograph for you so you can see why I was so pleased.

Thank you again so much

Firstly, I'm sorry it's taken so long to send this email!!

I was so pleased with my hair and make up, but even more so with my hair!! I have naturally curly hair and lots of it!! June did a wonderful job from only a small photo in a magazine, and without any trial! Everyone was stunned as to how lovely my hair and make up was, and couldn't believe my hair - my hubby was very shocked! Attached is a photo if you want to use it you can, really we should have taken a before and after shot as June did such a wonderful job! I would definitely recommend your services to anyone getting married in the Gretna area!

THANK YOU!!!!

Thanks again for you friendly service and you help with my drama with my shoes and the glue which I split on them.
