
Thank you so much for your help with hair and makeup at our wedding on 14th March. Please also pass on our thanks to Jackie for her assistance with nails. You all helped to make our day so very special and we are very grateful.

Best wishes, Sue and John.

I would like to thank you so much for the service you supplied for my wedding in August. The girls did a wonderful job of my hair, nails and makeup and my mothers hair and makeup. I can't believe how easily my hair was put up and how lovely it looked! It stayed up all day and at no point did I feel it was going to fall down, even though it didn't feel pinned tightly. The girls were so friendly and they worked quickly and professionally, so thank you again and please can you pass on thanks from myself and my mum. They asked for some photos, so I hope these get through ok.

All the best,
love

Hello,

I would just like to thank you so much for making my wedding day the best day of my life. I thought you were lovely and very professional. I absolutely loved my hair and makeup and I had to admit I looked amazing and everyone else thought so too. I could not believe I actually cried when i saw myself, it felt you are like miracle workers. I only wish you lived near me as I would be calling you all the time. Please never stop what you are doing as you are amazing. I will send some pictures up soon, and thank you so much once again. I will recommend you to everyone I know.
