
Hello!

I just wanted to write and thank you for the bridal makeover you did for me on Thursday 16th April 09 (12noon) at the Mill Forge.

I really wasn't sure how I wanted my hair or make-up, luckily you turned up, put me at ease, and made me look fantastic!!

My guests also loved their hair and make-up.

The lady who did my make-up (sorry I'm terrible with names) had to put up with the smell of my son filling his nappy when she arrived! sorry :-)

Thankyou so much, you do a fantastic job xx

Hi Both,

I would just like to say a huge thanks for making me look as special as i felt on my wedding day. My bridesmaid and I had our hair and makeup done on Tuesday 5th May 09 ready for my wedding at the blacksmiths cottage at noon. I wasn't really sure what style I wanted for either of us but your staff were amazing and knew what would suit us, I couldn't believe how fast they did it either and it lasted all day. I really couldn't be any happier with the end result, I have never had any confidence in my appearance but that was the first day I looked in the mirror and liked what was looking back at me. I was so happy and felt amazing, I cannot describe how good that felt. I just wish I could afford to have it done everyday :). I have attached some pictures so you can see for yourself why I am so pleased with your service. I hope to not get married again so I unfortunately shouldn't need your services again but I will definitely recommend you to anyone.

thanks again

Hi,

Just a quick note to thank you for doing my hair and makeup for our wedding at The Mill Forge on 8th May. My husband was stunned at how I looked and I felt really fantastic on our special day. I had worried a little as it was the first time we had met and your wedding day is so special, but I needn't have at all!! You had pinned my hair up that well (if you remember it was very windy and blustery on the day) that I had no worries at all about it falling out and in fact I left it in for the next 5 days well into my honeymoon, which was fab as I didn't have to touch it at all.

Thanks again and if I still have long hair next year, I'll be back for a repeat for our anniversary!!

I've attached a picture for you, Julie Houghton-Carey
