

Hello,

I just wanted to say a big thankyou to Jackie who came to Comlongon Castle on 25th April 09 to do my bridal hair.

I must confess that I was nervous at the prospect of no hair trial before my big day, but I needn't have worried!

I was very happy with the result, it was just what i wanted and it stayed in place all day!

I have enclosed a photo for your website. Many thanks, Sarah Hall

Dear June

Here is the photo that you asked me to send you of my hair and makeup on Sat 11th July 2009. Thank you so much for the wonderful job you did, it made my day all the more special. Thank you. Nicola Thackery

To June & Liz,

A massive thank you for the wonderful hair & make-up you did for me on my wedding day. Your professional & friendly manner made me relax instantly and your humour and funny stories had me, my Mum and my sister in fits of giggles. You were both truly amazing and made me look absolutely gorgeous (as any brides should look on their special day). I felt beautiful all day, you both did an amazing job and I cannot thank you enough. I really am extremely grateful for all the time and effort you spent to make me feel like a princess.

Massive hugs and kisses, Rebecca

Hi June, as promised please find attached some wedding pics of the hair, I'm not sure if they will be any good to you but I thought you would like to see them anyway. Just wanted to say a massive thank you for doing our hair on my wedding at the Mill forge on Friday 10th July. You really did a fantastic job and everyone was complimenting the hair all day. Thank you very much. Leigh-Anne

Hi

I got married on 17th July and Jackie did my hair and Linda my make up. It looked absolutely stunning! Jackie asked me to e-mail you some pictures so here you go!

Thank you very much for making me look and feel amazing! I had the most perfect day and it was great not having to stress about my hair and make up. And when I woke up the next day my hair still looked the same! Thank you again and hope you enjoy the photos! Mrs Natasha Erskine

Hi June,

I just would like to say a BIG thank you for doing mine and my bridesmaids hair at our wedding at the Mill Forge on the 4th July 2009. You did an excellent job on everyone's hair but I have to say mine was fantastic; you copied the picture I'd picked out of the magazine perfectly, actually even better than the picture. Everyone who saw me on the day or on pictures afterwards have commented on how amazing my hair looked, no one could believe I'd got hair extensions in.

Again thank you so much and I would recommend you to anyone getting married to use your services.

Love From, Rachel Blencowe
