

Hi June/Liz, would just like to say a big thank you for doing mine and my daughters hair at the mill on Sat 04. Nobody thought it was me! You did a fantastic job with my hair, I didn't want to take it out! Liz did a fantastic job with the make up; even my family didn't recognize me... We had lovely day and I can't stop looking at the pictures, Danielle looked stunning..!
So once again thank you! Mrs Conlon xx

Hi there, I would just like to email and thank you for the wonderful job you did on my wedding day - 29th November 05 at The Mill. My hair and make-up was out of this world and everyone commented at how beautiful I looked. My 9 year old daughter looked like a proper princess and felt so grown up. My friend and bridesmaid felt and looked absolutely wonderful. Also thank you for my mum's make-over and hair which was exactly how she wanted it and my 87 yr old grandma looked lovely all done up (it has been a lot of years since I last saw her looking so good!). You were so professional and helped calm my nerves quite a lot, I almost ruined my make up though as I started to cry when I saw how beautiful I can look, my husband (still feels strange saying that) loved how I looked and was awe struck when he saw me. I have included a picture of myself and the bridesmaids in our dresses which finished off the look you gave us rather than the other way around. Again many, many thanks for helping my day be so wonderful.

Andrea, Rebecca, Tanya, Mary and Lillian.

Paul and I have had a fantastic year since our wedding on April 1 2005 at the Mill Forge. This is a very belated thank you for everything you did to help our wedding day go so well. You were so efficient and friendly when you came to The Mill to do my bridal makeover and hair and make-up for my sister and my friend Shelagh. Paul and I look back on our very special day with such good memories and you certainly played such an important part. I attach a photo for you to use on your website if you wish. It shows just how good you are - although maybe we need a before and after shot to show what miracle workers you are!! I wish you lived within easy reach of Sidcup. Maybe I can book you up when we have a future anniversary trip to Scotland.

Kindest Regards Maureen and Paul Wilkins

Hello Jackie, Just wanted to say thank you on behalf of myself, Cara (bridesmaid) and Jean (Mum) for the great job you did on our makeup for my wedding day. None of us wear much makeup and were nervous about the end result - you managed to put us all at ease and give us makeup that looked great in our photos but felt natural on. I kept catching a look at myself in the mirror and could not believe how great I looked.
Thanks again, Sharon
