

Hi , Caroline Wilson here, you did my hair and make up on the 14th of October at Garden house hotel for my wedding, thank you so much for doing such a wonderful job on my hair, the barrel curls looked tremendous and everyone said how gorgeous it looked, as did my make up. My sister in law Becky loved her hair too, so did my bridesmaid, but Becky's hair was gorgeous and she never gets to dress up and look that good having two small toddlers so was over the moon at how glamorous you made her feel. You truly are super stars and I can't thank you enough for helping on the big day

Just wanted to send a note and thank you very much for doing such a wonderful job on my wedding day! (Sept 25th 2004). You made me, my bridesmaids and two guests feel so beautiful! We looked like ourselves, only better!"

God bless and take care, Erin

Just a big thank you for making my bridesmaids and I look so lovely on our wedding day! I loved the results and so did my husband. I really felt like a princess."

Thank you again! Briony

Ps. You were right about the hairspray - the ringlet stayed put the whole time! Ha Ha!"

We also had an email from Briony... "Just wanted to say a big thank you for making my sisters and I beautiful on my wedding day! My husband and brothers couldn't believe I was the same person who was in jeans and a t-shirt with bad hair just a few hours before the wedding! You were professional and made us feel at ease - I was quite worried that I hadn't had a 'practise run' on the hair and make up but was thrilled with the results."

Kind regards, Briony

I would like to take this opportunity to finally thank you for your services on my wedding day.

I was a little apprehensive at first (due to no trials) - but I loved what you did. You did a fabulous job on myself, my Bridesmaid, and my Sister and Mother. All of us were very pleased.

You contributed to making my day all the more special and should anyone ask, I would most definitely recommend you services

Many thanks, Maria. South Wales"

Thank you for doing such a wonderful job with all of my bridesmaids hair, guests and my bridal make over. Everyone said they looked beautiful and thought their hair was absolutely lovely. Our hair stayed perfect even through the gale force winds we had later that day just when we were leaving the old Smithy!

Many Thanks, Louise
