

I've had so much to do since I got back I haven't had the time to thank you. You both came to our hotel at 7.30am as promised and I was flustered and didn't have a clue what to ask you to do, but you both took it all in your stride and made me up and did my hair more perfectly than I could ever have imagined. I can't thank you enough. My husband said he was so proud of me and I felt like a princess. My day was absolutely perfect and I know that if I hadn't looked the way I did thanks to you both, I could never have felt the way I did. My wedding photographs were perfect. We had an album of 35 and in every one of them my hair and make up are perfect. You made my day.

Thank you, Jacquie. Croydon

I wanted to take this opportunity to thank you both for all you did for myself and my bridesmaids on my wedding day at Comlongon Castle. You made me feel very much at ease and with total trust from the second you walked through the door which to me was very important and much appreciated. I would most certainly offer my full recommendation to any forthcoming bride who wants to feel and look amazing. May you both continue to make people smile.

Once again I thank you, Sarah - Liverpool

Thank you for making my wedding so special, my daughter and I were pleased with our hair and make up, and for making us feel so relaxed and special. Thank you again, Gail

Just a short note to thank you both for your excellent efforts and small miracles last Saturday. I'm particularly grateful for the charming way you helped handle the awkward situation of Rachel's hair and make - up. We all had many compliments on our appearance, which we graciously accepted on your behalf. Best wishes for your continued success.  
Sincerely, Linda"
