

Just a wee note to thank you both for my bridal makeover and my bridesmaid's makeover. We both thought the hair and makeup was beautiful and we cannot thank you enough for the special treatment we received from you both.
With our thanks, Michelle and Jayne

I wanted to say a huge thank you for the wonderful hair and make up you did for my wedding party on Wednesday 4th May at the Mill. I thought my Mum & the bridesmaids looked fantastic and I just loved the style you gave me on the day and the make up was stunning and lasted all day and night and was just perfect. Steve was just blown away at how beautiful I looked and he just couldn't stop smiling all day!!

A truly professional service, I would recommend to any one.
Thank you again, Tania

I just wanted to drop you a line, now that I finally have come back down to earth to say a big Thank you to you both for making myself and the rest of my family feel and look absolutely wonderful. You made our pampering at the mill extremely relaxing and we all enjoyed every moment. You even made our partners look twice!!! My Dad even said that he thought that my mum looked so amazing that he was willing to renew their vows there and then!!! (They have been married for 45 years)

Also we loved how you managed to keep the little one from New Zealand so quiet; she looked like a little princess. As for the groom, he was very pleased with his bride!!!!

Many thanks to you both, you were wonderful. x Karen Dell!

Thank you so much for the wonderful results of the make-over on my wife Carol before our wedding at Gretna.
I have to be honest, Carol was absolutely dreading you arriving as this sort of thing is just 'not her' but you put her at ease and made a woman who I have always considered to be beautiful look absolutely stunning. When I returned to the hotel room after you'd finished I just couldn't take my eyes off her.
Thank you from the bottom of our hearts for your contribution to the most wonderful day of our lives.
Carol and Dave

I wanted to take this opportunity to thank you both for all you did for myself and my bridesmaids on my Wedding day at Comlongon Castle. You both made me look and feel like a princess.
You made me feel very much at ease and with total trust from the second you walked through the door which to me was very important and much appreciated. I would most certainly offer my full recommendation to any forthcoming bride who wants to feel and look amazing.
