

May I just let you know my hair and makeup were fantastic, you were both brilliant, its only been 5 days since I got married but I wish I could do it again, I had worried dreadfully about my hair but it was everything I wanted and more, the bridesmaids looked absolutely gorgeous and everyone commented on them, I will send you a photograph when they arrive but once again girls THANK YOU from the bottom of my heart, I felt so special I am thinking about renewing my vows next year. (Only joking)

Lots of love and best wishes Sally Thompson 13 Aug 2005 The Mill

Fiona and June, just a little note to say thank you for doing my hair and make up at Gretna 17th June 04, you did a wonderful job on both me and my bridesmaid Joanne. You where both very good at relaxing us both and made it all seem so easy, thanks again for fixing my unfortunate hen-nite bruises and taking everything in your stride.

Kind Regards Janine xx

Just a quick note to say 'Thank you' for helping to make my wedding day extra special. I felt like a million dollars after your wedding make-over.
Thanks again, Lisa

I am writing to thank you very much for making our day so special. We loved our hair and make up and everyone commented on it. I felt and looked like a bride should be and my bridesmaid felt special too.
Thanks once again, Lynne and Joanne (Bridesmaid)

I would like to take the opportunity on behalf of Linda (my Bridesmaid) and myself to say what a wonderful job you did on our hair and makeup. We can't thank you both enough. We had a wonderful day which we will treasure for years to come.
Best wishes, Karen. Western Australia

I've finally found a spare moment to drop you a line of thanks, for making Janet and myself look so unbelievable. We hardly recognised ourselves; we wish you both lived nearer, so we could have our hair and makeup done more often. The hair stayed in for days, and the makeup was just right and lasted till the wee hours, lipstick and all!
Many thanks once again, for being so kind, friendly and professional.
Kind Regards, Kay
