

Dear June, I would just like to thank you for making my day on the 8th so easy and relaxing as you did my hair and also could you pass on my thanks to the lady that did my make up.

I loved my hair as did everyone at our wedding and they all said how stunning i looked.

I hope you get your holiday all sorted out soon and you have a relaxing time when you get it!

Kind regards, Sue

Hi All, thank you just doesn't seem enough to say for such a great job you did on our hair and make-up for my wedding on Friday 20th July 2007. You arrived on time and took all the stress away with your friendly professional manners. The hair & make-up lasted all day and the make-up was the best I've ever worn.

Many thanks again, Paula Adams-Thirtle

Hello, just wanted to email you and thank you again for the beautiful makeover on Sunday 27th May. You both made me feel like a princess and my photos are the best I've ever had taken as I look so good in them. Keep up the good work for all us brides (especially the big ones with low self esteem) as you make our big day a bit more special.

Hello, I would like to take this time to thank Jackie and Liz for the wonderful job they did on my hair and makeup for my wedding day on Saturday 2nd June 2007. Jackie also styled my mother's hair and we really appreciated the calm professional service.

I was amazed at how quick and easy the girls made this look and how brilliant it was that I didn't once think about re-applying my makeup and my hair stayed in place all day.

I know that this e-mail is only a small gesture but all I can do to thank you all for providing such an excellent service to helping me feel like a princess on my big day.

Again thank you for everything, you played such an important part on my special day and I am grateful.

Best wishes Sandra Cluer nee Findlay

Hi June, I would just like to take this opportunity to thank you so much for the wonderful job you made of both mine and my bridesmaid's hair and make up on Friday 13th July 2007. I was very pleased with the transformation and felt like a different person, this made all the difference to our photographs and helped make our day perfect. I would have no hesitation on recommending your service to friends in the future.

My thanks once again, Suzanne Evans.
